

## Agriculture

### Livestock used:

- Cattle
- Sheep
- Goats
- Pig
- Buffalo
- Camel
- Fowl

### Fauna

- Sambar deer
- Spotted deer
- Hog deer
- Tortoise
- Rhinoceros
- Horse
- Elephant

### Crops

- Dates
- Field peas
- Mustard
- Rice

#### Spring crops:

- Wheat Spring crops
- Barley Spring crops

#### Autumn crops:

- Sesamum
- Cotton

### Irrigation

Rivers fed by the melting snow and monsoon rains. During the monsoons the floods deposit fertile silt and recede to leave numerous natural reservoirs and oxbow lakes. Evidence of irrigation and water diversion available for the later

period.

### **Hunting**

- Sambar deer
- Spotted deer
- Hog deer
- Tortoise
- Rhinoceros
- Horse
- Elephant
